

NEW range  
for 2009

*Your simple guide to*  
**preparing, finishing and maintaining  
timber garden decking**

## *Manufacturer of quality decking finishes*

You can bring out the natural beauty of your timber garden decking and ensure a hardwearing finish year after year by using Liberon's range of decking treatments. We're the choice of the professionals and are happy to offer advice on using the right Liberon product to achieve the finish you want.

In this booklet you will find the appropriate treatment for your decking as well as simple steps and useful tips to give you the confidence to use Liberon products to create stunning results.

# NEW Tough Deck Clean & Revive

A HIGHLY  
EFFECTIVE CLEANER  
FOR CLEANING OLD,  
TIRED AND DIRTY  
DECKING WHICH HAS  
FADED OVER TIME.

## Purpose

An effective cleanser for cleaning old, tired and dirty natural wooden decking which has dulled and faded over time. It helps to remove black spotting caused by mould or lichen from most types of wood to leave the surface clean and ready for refinishing.

## Application

Stir well before use. Dilute Tough Deck Clean and Revive with up to 2 parts water in a bucket. Apply the cleaner using a scrubbing brush or stiff broom, rinse with clean water and repeat as necessary until the timber is clean. Wipe off any excess water and allow the timber to dry thoroughly for a minimum of 24 hours before applying any finishing products. For stubborn marks, a stronger solution of Tough Deck Clean and Revive may be required.

Size: 2L

Coverage	Application	Drying Time	Cleaning Tool
1L ↓ 30 m <sup>2</sup>	 Scrubbing brush or broom	24 hours	 Water

# AQUA-STOP® Tough Deck Finish **NEW**

ADVANCED 3 IN 1  
FORMULATION OF STAIN  
PROTECTION, LONG  
LASTING COLOUR AND  
TIMBER SEALER IN ONE  
EASY STEP.

## Purpose

This 3-in-1 product gives wood extreme protection from wear, tear and weathering, long-lasting colour and high resistance against food, oil and alcohol stains. Using innovative water-based Nano technology, AQUA-STOP® Tough Deck Finish penetrates deep into the wood to prevent damage by water, stains and sunlight whilst guaranteeing long lasting protection against weathering. Its liquid formula contains natural oils making it easy to apply giving a matt finish which enhances the natural grain of the wood.

## Application

Stir well before use. Ensure the surface is clean, dry and free from previous finishes and dust. Apply a generous coat of AQUA-STOP® Tough Deck Finish with a paint brush or roller. Allow to penetrate for 15 to 30 minutes (depending on the porosity of the wood). Wipe off any excess with a lint-free cotton cloth. Apply a second coat in the same way as the first. Leave to dry for 2 hours. Wait 24 hours before using your decking.

Size: 2.5L 5L

Coverage	Application	Drying Time	Cleaning Tool
1L ↓ 10-12 m <sup>2</sup> on new wood	 Brush or roller	Touch dry in 30 mins 2 hours final Wait 24 hours before use	 Water immediately after use

## Colours

Light Cedar

Medium Oak

Oregon Pine

Burmese Teak

# Decking Oil

HIGHLY EFFECTIVE,  
UV ENHANCED,  
LONG-LASTING OIL  
SUITED TO MOST  
VARIETIES OF TIMBER  
DECKING.

## Colours

Clear

Teak

## Purpose

Feeds, protects, seals and enhances the natural beauty of your decking. Suitable for new and old decking, and in the latter's case, will revive and add colour to faded or worn surfaces.

## Application

Stir thoroughly before use and apply with a large paint brush or roller to a clean, dry and varnish-free surface. Allow to penetrate for 15 to 30 minutes then apply a second coat. Continue to apply coats until the timber no longer absorbs the oil.

Wipe off any excess and allow to dry.

**Size:** 2.5L 5L

## Libtips

*Oil finishes bring out the natural colours of timber. A wet surface will be an indication of the final colour.*

*Use protective gloves.*

Coverage	Application	Drying Time	Cleaning Tool
1L ▼ 8-10 m <sup>2</sup>	 Brush or roller	15 mins between coats 24 hours final	 White Spirit

# Balustrade Woodstain **NEW**

SPECIALLY FORMULATED,  
VERY HARDWEARING  
WOODSTAIN FOR THE  
PROTECTION OF  
EXPOSED VERTICAL  
TIMBER.

## Colours

*Poplar*

*Honey Pine*

*Medium  
Oak*

*Spanish  
Cedar*

*Teak*

## Purpose

Resistant to severe weathering (ice, snow, rain and heat), impervious to temperatures of  $-40^{\circ}\text{C}$  to  $+60^{\circ}\text{C}$  and prolonged exposure to sunlight, Liberon Balustrade Woodstain is ideal for use on timber balustrading and other exposed vertical timber. Offering up to 10 years protection and long lasting colour durability it keeps maintenance to a minimum.

## Application

Ensure the surface is sanded if required, clean, dry and free from dust. Stir well before use. Apply a minimum of 2 coats of Balustrade Woodstain with a brush, spray (10% dilution with water) or a roller. On new or heavily exposed timber we recommend applying a third coat when using a light coloured stain.

**Size:** 750ml

## Libtips

Apply out of direct sunlight and where there is good ventilation. This prevents the woodstain from drying out too quickly.

Coverage	Application	Drying Time	Cleaning Tool
1L ▼ 12 m <sup>2</sup> <small>(depending upon condition of wood)</small>	 Brush, roller or spray	4 hours between coats 24 hours final	 Water

# AQUA-STOP® Deck Aftercare **NEW**

GENTLE CLEANER FOR  
MAINTAINING THE  
PERFECT FINISH ON  
TIMBER DECKING.

## *Purpose*

AQUA-STOP® Deck AfterCare has been developed for the regular maintenance of wooden decking. Containing soft soap and cleansers, it will effectively clean general dirt and surface grease from wooden decking without damaging most stain and protection products already applied to the surface.

## *Application*

Ensure the decking has been swept well prior to application. Dilute 100ml of AQUA-STOP® Deck AfterCare in 5L of tepid water. Apply with a damp cloth. In dirty areas, use a scouring brush. Allow to dry. No need to rinse. AQUA-STOP® Deck AfterCare is lightly scented. It gives off a delicate aroma of cedar.

Size: 2L

Coverage	Application	Drying Time	Cleaning Tool
1L ▼ 30 m <sup>2</sup>	 Cloth or scouring brush	Subject to the weather	 Water
